Dear Doctor:

I really should have written you before now, but I was so undecided about what I was going to do this season I did not want to go ahead too fast. However we had a league meeting in Baltimore last week, and I think things are shaping up alright. As a result I have decided to make another try of it.

Now I am writing to see if it will be possible to train in Daytona Beach. Will the colored park be available, is any white team scheduled to use it? If so when will they be finished with it? We are planning to arrive in camp about the first of April.

I will greatly appreciate hearing from you as soon as possible as the time is drawing near when we have to get our plans in order. Thank you for your cooperation and assistance.

Very Truly Yours
